Do not pass through grey beads

## Thread your needle

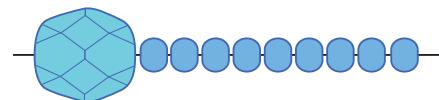

Thread your needle with a length you are comfortable with.

You will need approximately 2.5 arm spans in total.

I recommend using a colour that will not show much with your beads.

## Step 1

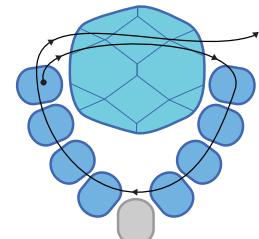

Pick up 1 FP6 and 9 11/0.

Bring the beads down your thread leaving a long enough end for you to comfortably tie off later.

## Step 2

Pass through the FP6 and 4 11/0, skip 1 11/0, pass through the next 4 11/0 and FP6.

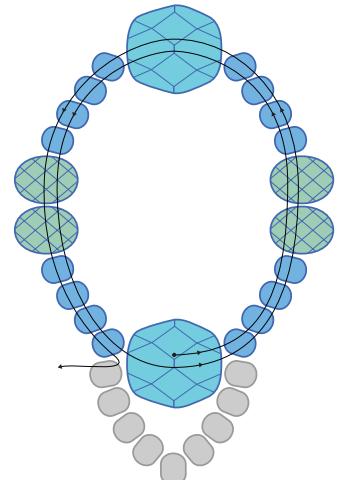

## Step 1-2 completed:

### Step 3

Pick up 4 11/0, 2 Rondelles, 4 11/0, 1 FP6, 4 11/0, 2 Rondelles and 4 11/0.

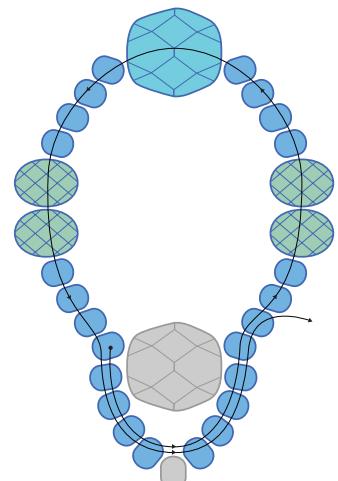

Pass through the FP6 from step 2 and pass through all the beads you just added. You should be exiting from the last 11/0 added.

### Step 4

Pass through 4 11/0 from step 1, skip 1 11/0, pass through 4 11/0.

Pass through all your added beads from step 3 one more time, pass through 4 11/0 from step 1, skip 1 11/0, pass through 6 11/0.

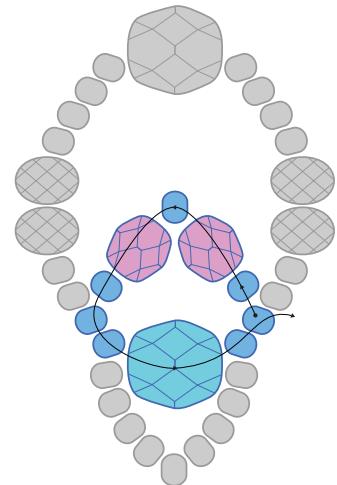

### Step 5

Pick up 1 11/0, 1 FP4, 1 11/0, 1 FP4, 1 11/0.

Pass through the 2 11/0 on the other side of the FP6, pass through the FP6 and 2 11/0.

You will now be coming out of the same 11/0 as you started this step in.

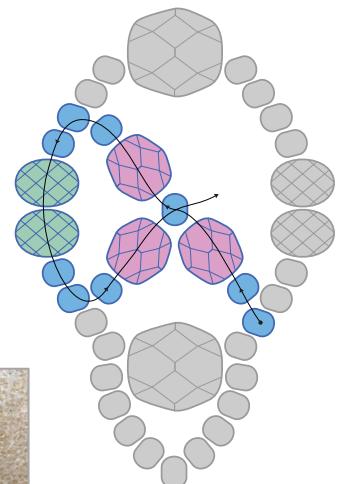

### Step 6

Pass through the 11/0, FP4 and 11/0 that you just added.

Pick up 1 FP4 and 1 11/0.

Pass through 2 11/0, 2 Rondelles and 2 11/0 in a direction towards the last FP4 added in step 5.

Pass through the 11/0, FP4 and 11/0 from step 5.

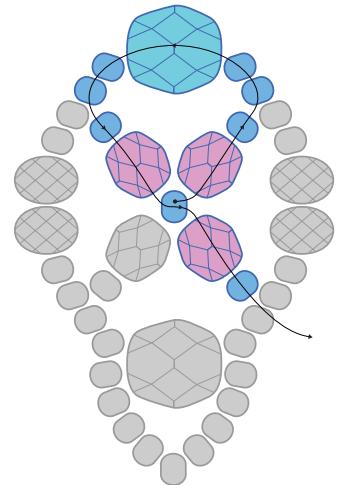

### Step 7

Pick up 1 FP4 and 1 11/0.

Pass through 2 11/0, 1 FP6 and 2 11/0 at the top of your work towards the FP4 added in step 6.

Now diagonally pass through the 11/0 and FP4 from step 6 and through the 11/0, FP4 and 11/0 from step 5.

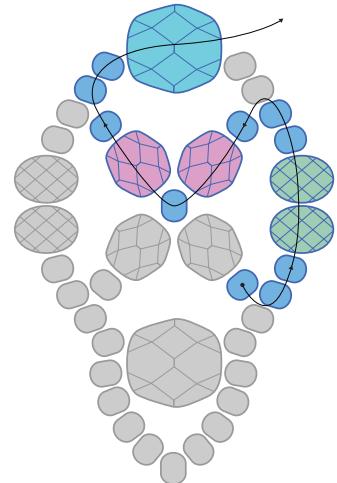

### Step 8

Pass through 2 11/0, 2 Rondelles and 2 11/0 towards the FP4 added in step 7.

Pass through 1 11/0, 1 FP4 and 1 11/0. You should now be exiting from the middle 11/0.

Pass through the FP4 and 11/0 from step 6.

Pass through 2 11/0 and 1 FP6.

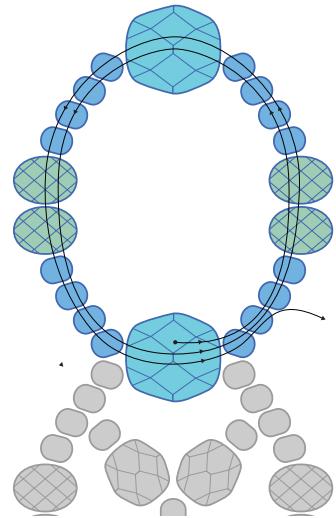

## Step 9

Pick up 4 11/0, 2 Rondelles, 4 11/0, 1 FP6, 4 11/0, 2 Rondelles and 4 11/0.

Pass through the FP6 you are coming out of and through all the beads you just added,

Pass through 1 FP6.

Pass through the first 2 11/0 from this step.

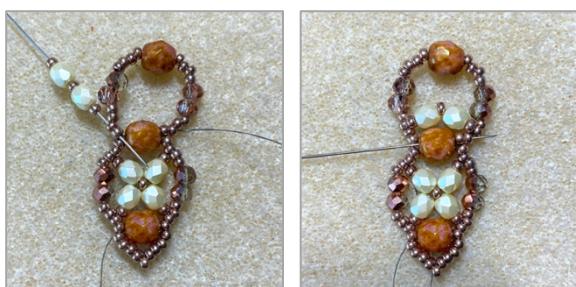

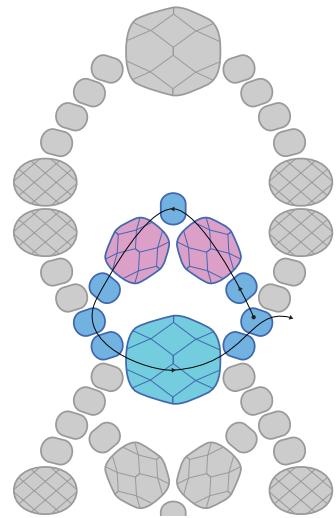

## Step 10

Same as step 5.

Pick up 1 11/0, 1 FP4, 1 11/0, 1 FP4, 1 11/0.

Pass through the 2 11/0 on the other side of the FP6, pass through the FP6 and 2 11/0.

You will now be coming out of the same 11/0 as you started this step in.

## Step 11

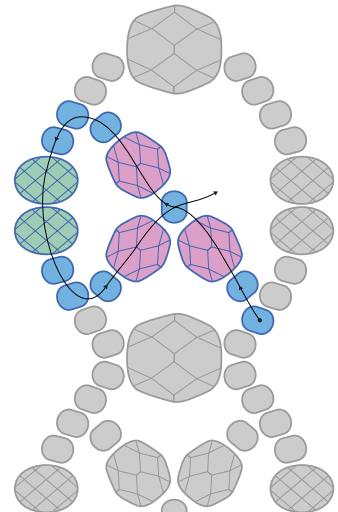

Same as step 6.

Pass through the 11/0, FP4 and 11/0 that you just added.

Pick up 1 FP4 and 1 11/0.

Pass through 2 11/0, 2 Rondelles and 2 11/0 on the other side of the big loop in a direction towards the last FP4 added in step 10.

Pass through the 11/0, FP4 and 11/0 from step 10.

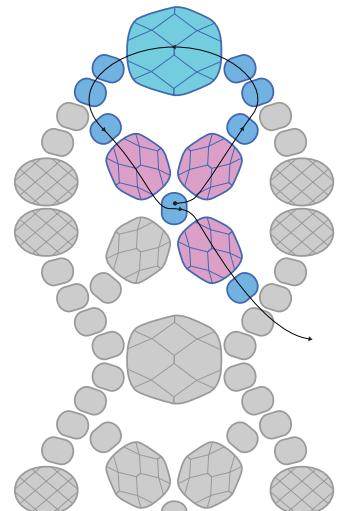

## Step 12

Same as step 7.

Pick up 1 FP4 and 1 11/0.

Pass through 2 11/0, 1 FP6 and 2 11/0 at the top of your work towards the FP4 that you added in step 11.

Now diagonally pass through the 11/0 and FP4 from step 11 and the FP4 and 11/0 from step 10.

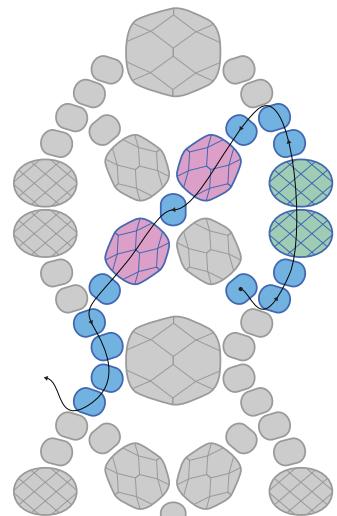

## Step 13

Pass through 2 11/0, 2 Rondelles and 2 11/0 towards the last FP4 added in step 12.

Now diagonally pass through the 11/0 and FP4 from step 12 and the 11/0, FP4 and 11/0 from step 10.

Pass through the 4 11/0 closest to the FP6.

## Step 14

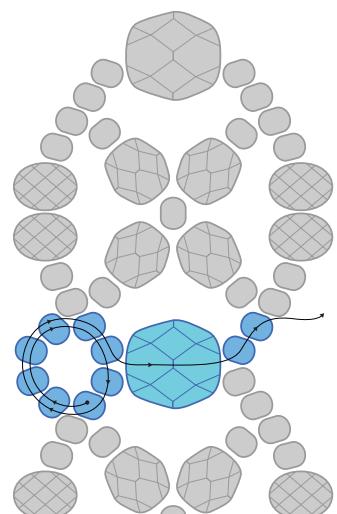

Pick up 4 11/0.

Pass through the same 4 11/0 that you passed through in step 12.

Pass through the 4 11/0 just added.

Pass through 2 11/0 and 1 FP6.

Pass through 2 11/0 in the direction towards the last rondelles you added.

**Tip:** If the loop that we just added looks a bit uneven you can use your needle to nudge the beads into place.

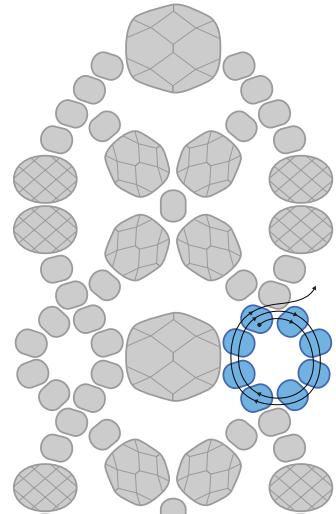

## Step 15

Pick up 4 11/0.

As in the previous step, pass through 4 11/0 to make a loop and come back out of the 11/0 you started this step in.

Pass through the four beads you just added and through the same 4 11/0 that you just passed through.

You will now be coming out of the same 11/0 that you started this step in.

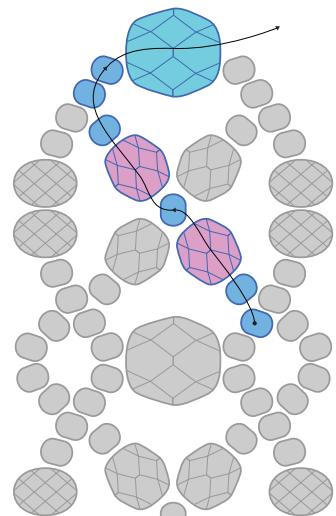

## Step 16

Pass through the 11/0, FP4 and 11/0 from step 10.

Pass through the FP4 and 11/0 from step 11.

Pass through 2 11/0 and 1 FP6.

Step 16 completed:

### Step 17

Repeat steps 9-16 until you have the length that you want for your bracelet. The final steps will add another 3-4 mm to the length of the bracelet, clasp not included.

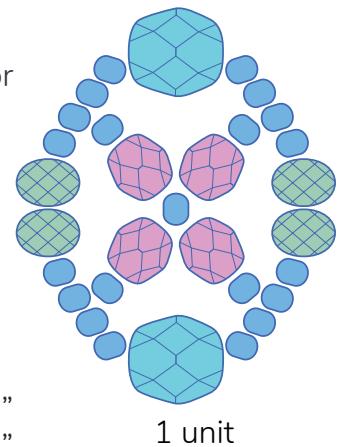

Length without clasp:

9 units with Toho will measure approximately 17 cm/6.7"

10 units with Toho will measure approximately 18.8 cm/7.4"

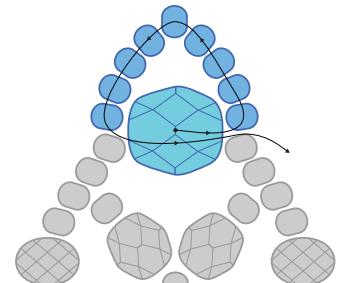

9 units with Miyuki will measure approximately 15.7 cm/6.18"

10 units with Miyuki will measure approximately 17.3 cm/6.8"

### Step 18

Pick up 9 11/0 and pass through the FP6.

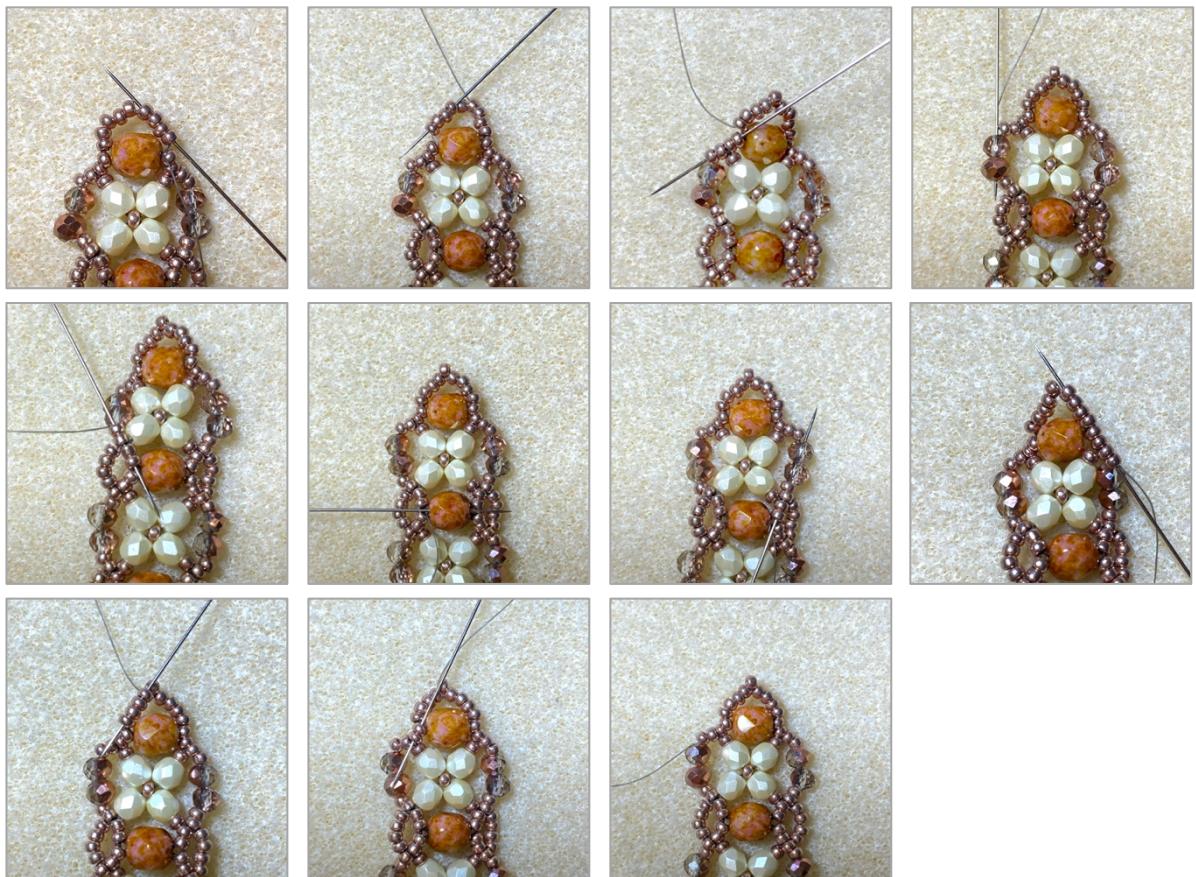

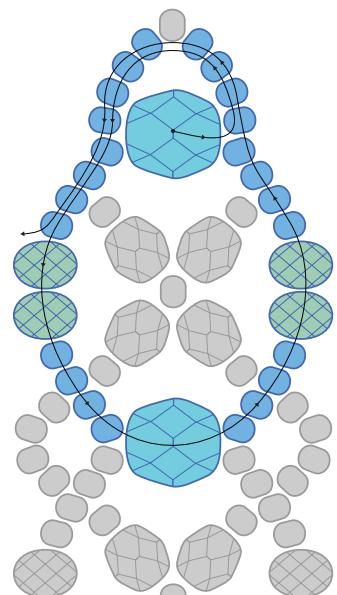

**Step 19**

Pass through 4 11/0, skip 1 11/0, pass through 8 11/0.

Pass through 2 Rondelles, 4 11/0, 1 FP6.

Pass through 4 11/0, 2 Rondelles, 8 11/0.

Skip 1 11/0 and pass through 8 11/0.

### Final step

Tie off your ends and attach your jump rings and clasp.
